Sir:

Responsive to the Office Action of April 17, 2008, constituting a restriction requirement among (I) claims 1-2 and 5, (II) claims 3-4 and 7, (III) claims 5-6 and (IV) claims 7-8, Applicant hereby elects the subject matter of Group IV, i.e. claims 7-8. This election is made while reserving Applicant's rights under 35 U.S.C. §121 to file a divisional application for the non-elected subject matter of claims 1-6.

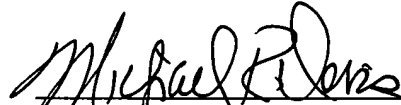

Referring to item 5 beginning on page 4 of the Office Action, it is Applicant's understanding that since neither Group I or II was elected in response to the restriction requirement, it is not necessary to elect a species of the generic invention.

Action on the merits is requested.

Respectfully submitted,

Akinori ARIMURA
